Questions and Answers from the pre-proposal conference for Solicitation #263-01-P(CW)-0044

1. NIH will provide a spot for a trailer for our technician to maintain his office. NIH will not provide any type of office.  
Answer: This statement is correct.

2. Parking for the service truck as the tech goes from building to building--The answer to this question was unclear. What is the proper response?

Answer: Your technician will be issued a contractor's parking pass to park in general parking lot's only. If your service truck can find a spot to park at each building he may do so but the technician will probably have to walk from building to building.

3. Who has the contract now?

Answer: Advanced Equipment

4. Are they being asked to bid the contract?

Answer: They have requested a bid package.

5. If not, why not?

Answer: Not applicable

6. Is current pricing a matter of public record?

Answer: You may ask what their bottom line price was.

7. If so, how do we obtain it?

Answer: Their price from last year was \$314,487.04. Please remember that the Statement of Work was different than this one. We are asking for you to tell us what is the best way to perform this project.

8. On page C-2 and C-3, item C-5,6,7

I need to get a thorough understanding of our responsibility.

Minor repairs are our responsibility. This is for both parts and labor. These costs should be included in our bid on page B-1, lines 1 and 2. Is this correct?

Answer: Yes this is correct.

Major repairs are paid for by NIH. This includes all parts and labor. The labor is paid for by our quote on page B-1 either item 2 or 3. Is this correct?

Answer: Yes this is correct

The parts are paid for thru line item 4 on page B-1. Is this correct?

Answer: Yes this is correct

On page C-7 it says we are to have personnel on site from 7:30 to 4 everyday except contractor holidays. This labor cost is our responsibility. We cover this cost and miscellaneous maintenance materials thru line item 1 and 2 on page B-1. Is this correct?

Answer: Yes this is correct.

9. When will there be a walk-thru?

Answer: The walk-thru site visit will be scheduled for February 5 and 6, 2001. We will meet at building 13, room G903 at 9:30 a.m.

10. When are load tests usually done.

Answer: They are usually done during regular working hours. Switches are normally done after hours.

11. Is there a full time employee now performing on the current contract?

Answer: Yes
